About Steve Michaels

Growing up in the small town of Milton, Ontario, Steve's adoration for Elvis began at the very early age of three and the rest, you could say, is history. An important turning point in Steve's career occurred in 2001, when he was crowned "Images of the King" World Champion in Memphis, Tennessee. Steve's distinguished career is filled with monumental events and accolades. He has performed onstage alongside Rock & Roll of Fame Artists, the legendary D.J. Fontana, and the world-famous Jordanaires and has spent countless hours speaking with Elvis' inner circle of friends and confidants. His undeniably uncanny portrayal has taken Steve Michaels from Memphis to Mumbai,

Hong Kong to Hawaii, the United Kingdom to Australia, Toronto to Bangkok. Wherever his journey takes him, he continues to gain popularity worldwide.
